**jumper**

The logo features the word "jumper" in a bold, blue, lowercase sans-serif font. A bright yellow five-pointed star is positioned above the letter 'j'. Behind the letters, there is a dynamic trail of dots that starts as a dense, horizontal band of light blue and grey dots below the text, then transitions into a series of yellow dots that curve upwards and to the right, resembling a jump or a trail of motion.

# Plastic bag consumption in the EU

Luxembourg

## Luxembourg leads the way in cutting plastic bag use

The European Commission on Monday unveiled a proposal to cut the use of plastic carrier bags, with Luxembourg already leading the way with its “Öko-Tut” scheme.

## Spain introduces controls on single-use plastic bags

A new law transposing the EU's plastic bags directive and approved last Friday by the Spanish government introduces compulsory charging for almost all single-use plastic bags from 31 July this year

by Richard Weyndling

## Estonia to ban free plastic bags in stores beginning July 2017

# Directive to reduce the consumption of plastic bags

- November 2013: The European Commission proposes a law. Less plastic bags are to be used in the EU.
- The EU member states have two options to achieve this goal:
  - 1) Plastic bags must cost money.
  - 2) Plastic bags are banned.

**Directive ≠ Regulation**

Directive (EU) 2015/720 of the European Parliament and of the Council of 29 April 2015 amending Directive 94/62/EC as regards reducing the consumption of lightweight plastic carrier bags

# How was the directive developed?

04 November 2013: The European Commission publishes a legislative proposal.

18 November 2013: The European Parliament discusses the proposal for the first time.

13 December 2013: The Council of the European Union discusses the proposal for the first time.

.....

29 April 2015: The Directive is signed by the European Parliament and the Council of the European Union.

**jumper**

The logo features the word "jumper" in a bold, blue, lowercase sans-serif font. A bright yellow five-pointed star is positioned above the letter 'j'. Behind the letters, there is a decorative trail of dots. The dots are arranged in a pattern that suggests movement or a path, starting from the bottom left and moving towards the top right. The dots are colored in a gradient: the lower portion of the trail consists of blue dots, while the upper portion consists of yellow dots. The overall effect is dynamic and energetic.
